

# リートストリート L33TSTR33T BOYS ボーイズ

## Biography

LeetStreet Boys is an anime otaku band created in 2007 by singer/composer Matt Myers and producer Ryan "Frogs" McCormack. The band gained international attention in 2008 with their breakout single and music video "Yuri The Only One," followed by the release of two albums, "LeetStreet Boys" and "Otaku Hearts."

Widely credited as one of the first Western anime bands to gain significant worldwide attention, LeetStreet Boys is a natural convention headliner attracting huge crowds of concert attendees wherever they go.

## Fandom

Greeted with adulation from anime fans, the LeetStreet Boys have garnered a plethora of praise for their genuine anime aesthetic, quality musicianship, production values, and dedication to a uniquely loyal fanbase.

"This is a band that sums up otaku culture. It's the personal otaku soundtrack."—AnimeSHAFT.

"The LeetStreet Boys are the avatars of Otaku culture."—Nerd Caliber.

So, stay tuned—the LeetStreet Boys are coming soon to an anime convention near you.

## Discography

Recordings, music videos, and video gaming applications for LeetStreet Boys titles including "Yuri The Only One," "Guitar Hero Hero," "Masquerade," and the latest LSB release, "She's So Kawaii," have reached legions of fans worldwide.

"Otaku Hearts" expands the band's embrace of otaku culture with heartfelt anthems "Cosplay Girlfriend," "Expert Mode," and the music video for "She's So Kawaii," spiritual successor to "Yuri The Only One."

A bi-weekly webcomic centered around the LeetStreet Boys has been created by noted screenwriter Geoffrey Golden and artist Erin Nagy, and is featured on the LeetStreet Boys website: [www.leetstreetboys.com](http://www.leetstreetboys.com).

Since 2009, the site has generated 2.5 million page views.
