**BIOGRAPHY**

LeetStreet Boys is an anime otaku band created by singer/composer Matt Myers. The band first gained international attention in 2008 with their smash hit song and animated music video "Yuri The Only One." LeetStreet Boys is renowned for the unique mix of romance, humor, and epic that marks their extensive repertoire of catchy, heartfelt songs. LeetStreet Boys have performed live across North America since 2008, their music videos have appeared on Japanese TV and on Video Games Live, as well as screened at anime conventions all over the world.

**DISCOGRAPHY**

LeetStreet Boys have released three full-length albums: "LeetStreet Boys," "Otaku Hearts" and "L3g3nds." Widely credited as one of the first Western anime bands to gain significant worldwide attention, LeetStreet Boys songs and animated music videos including "Yuri The Only One," "She's So Kawaii" and "Imaginary Boys" have reached millions of fans on YouTube. LeetStreet Boys performed the song "Power Ups" in Just Dance Kids 2014, and the theme song "My Name In Lights" in dating sim Roommates.

Recently LeetStreet Boys began booking convention shows again after a 3 year hiatus, enjoying the opportunity to see old fans and meet new ones!
